

SETHNESS PRODUCTS COMPANY

SETHNESS CARAMEL COLOR

◆ REGULATORY COMPLIANCE

Sethness Caramel Color meets the requirements set forth in the color additive regulations defined in Title 21, U. S. Code of Federal Regulations, Part 73.85; The Food Chemicals Codex, Edition V; and all other international specifications.

Caramel Color is GRAS as defined in 21 CFR 182.1235.

◆ INGREDIENT LIST

Sethness Caramel Color is 100% caramel color.
Caramel Color has no ingredient “list” as it is a single color additive.

◆ LABELING

Caramel color may be labeled by name as “CARAMEL COLOR”.

◆ CERTIFICATION

The color additive Caramel Color is exempt from certification. Caramel Color does NOT require a certificate like F. D. & C colors.

There is NO “Natural Certification” for a caramel color. There is no regulatory definition of a “Natural” food color additive. FDA guidelines state that “all added colors result in artificially colored food”.
