

SETHNESS PRODUCTS COMPANY

ABSENCE OF “GLUTEN”

Sethness Products Company certifies that Sethness Caramel Colors do not contain any “gluten”. The gluten, actually a gluten protein called gliadin, is of concern to people who suffer from a condition known as celiac sprue. It is present in wheat, rye, barley, and oats as well as some other grains. It is not present in corn. Sethness Caramel Colors are manufactured from high dextrose containing corn syrups or beet and corn sugar, thus do not contain any gluten.

If further information is required, please contact the Sethness Technical Service Department at: 1-888-SPC-1880 (888-772-1880).
